I do not know and do not before my or our invention there our invention thereof or more that the United States of America mo	of, or patented or described in any pan one year prior to this application, ore than one year prior to this application.	rinted publication in any country before my or that the same was not in public use or on sale attion, and I believe that the invention has not
I do not know and do not before my or our invention there our invention thereof or more that the United States of America motors been patented or made the subject	of, or patented or described in any p an one year prior to this application, are than one year prior to this applica at of an inventor's certificate issued	rinted publication in any country before my or that the same was not in public use or on sale ation, and I believe that the invention has not before the date of this application in any count
I do not know and do not before my or our invention there our invention there the United States of America mobeen patented or made the subject foreign to the United States of A	of, or patented or described in any pan one year prior to this application, are than one year prior to this applicate of an inventor's certificate issued merica on an application filed by me	rinted publication in any country before my or that the same was not in public use or on sale ation, and I believe that the invention has not before the date of this application in any count cor my legal representatives or assigns more
I do not know and do not before my or our invention there the united States of America mother patents of the United States of America foreign to the United States of A than twelve months prior to this	of, or patented or described in any pan one year prior to this application, are than one year prior to this application of an inventor's certificate issued merica on an application filed by meapplication, and that no application is	rinted publication in any country before my or that the same was not in public use or on sale a tion, and I believe that the invention has not before the date of this application in any count or my legal representatives or assigns more for patent or inventor's certificate on this
I do not know and do not before my or our invention there our invention there of the United States of America mobeen patented or made the subject foreign to the United States of A than twelve months prior to this invention has been filed in any c	of, or patented or described in any pan one year prior to this application, ore than one year prior to this applicated of an inventor's certificate issued merica on an application filed by meapplication, and that no application fountry foreign to the United States of	rinted publication in any country before my or that the same was not in public use or on sale a tion, and I believe that the invention has not before the date of this application in any count or my legal representatives or assigns more for patent or inventor's certificate on this
I do not know and do not before my or our invention there the cour invention thereof or more the the United States of America mobeen patented or made the subject foreign to the United States of A than twelve months prior to this	of, or patented or described in any pan one year prior to this application, ore than one year prior to this applicated of an inventor's certificate issued merica on an application filed by meapplication, and that no application fountry foreign to the United States of	rinted publication in any country before my or that the same was not in public use or on sale ation, and I believe that the invention has not before the date of this application in any count cor my legal representatives or assigns more
I do not know and do not before my or our invention there our invention there the United States of America mobeen patented or made the subject foreign to the United States of A than twelve months prior to this invention has been filed in any clegal representatives or assigns, or	of, or patented or described in any pan one year prior to this application, are than one year prior to this applicate of an inventor's certificate issued merica on an application filed by me application, and that no application fountry foreign to the United States of except as identified below:	rinted publication in any country before my or that the same was not in public use or on sale ation, and I believe that the invention has not before the date of this application in any count cormy legal representatives or assigns more for patent or inventor's certificate on this of America prior to this application by me or m
I do not know and do not before my or our invention there our invention there our invention there the United States of America mobeen patented or made the subject foreign to the United States of A than twelve months prior to this invention has been filed in any c legal representatives or assigns, of I hereby claim foreign price our invention price of the subject to the United States of A than twelve months prior to this invention has been filed in any c legal representatives or assigns, or a subject to the subj	of, or patented or described in any pan one year prior to this application, are than one year prior to this applicate of an inventor's certificate issued merica on an application filed by me application, and that no application fountry foreign to the United States of except as identified below:	rinted publication in any country before my or that the same was not in public use or on sale ation, and I believe that the invention has not before the date of this application in any count cormy legal representatives or assigns more for patent or inventor's certificate on this of America prior to this application by me or m
I do not know and do not before my or our invention there our invention there of our invention there the United States of America mobeen patented or made the subject foreign to the United States of A than twelve months prior to this invention has been filed in any clegal representatives or assigns, of I hereby claim foreign prapplication(s) for patent or invention thereby claim foreign prapplication(s) for patent or invention thereby claim foreign prapplication(s)	of, or patented or described in any pan one year prior to this application, are than one year prior to this applicate to fan inventor's certificate issued merica on an application filed by me application, and that no application fountry foreign to the United States of except as identified below: riority benefits under Title 35, United tor's certificate listed below:	rinted publication in any country before my or that the same was not in public use or on sale ation, and I believe that the invention has not before the date of this application in any count cormy legal representatives or assigns more for patent or inventor's certificate on this of America prior to this application by me or m
I do not know and do not before my or our invention there our invention there of the United States of America mobeen patented or made the subject foreign to the United States of A than twelve months prior to this invention has been filed in any clegal representatives or assigns, of I hereby claim foreign prapplication(s) for patent or invention Foreign Application	of, or patented or described in any pan one year prior to this application, are than one year prior to this applicate to fan inventor's certificate issued merica on an application filed by me application, and that no application fountry foreign to the United States of except as identified below: riority benefits under Title 35, United tor's certificate listed below:	rinted publication in any country before my or that the same was not in public use or on sale ation, and I believe that the invention has not before the date of this application in any count cormy legal representatives or assigns more for patent or inventor's certificate on this of America prior to this application by me or m
I do not know and do not before my or our invention there our invention there of the United States of America mobeen patented or made the subject foreign to the United States of A than twelve months prior to this invention has been filed in any clegal representatives or assigns, of I hereby claim foreign prapplication(s) for patent or invention thereby claim foreign prapplication(s) for patent or invention thereby claim foreign prapplication(s) for patent or invention thereby claim foreign prapplication(s)	of, or patented or described in any pan one year prior to this application, are than one year prior to this applicate to fan inventor's certificate issued merica on an application filed by me application, and that no application fountry foreign to the United States of except as identified below: riority benefits under Title 35, United tor's certificate listed below:	rinted publication in any country before my or that the same was not in public use or on sale ation, and I believe that the invention has not before the date of this application in any count cormy legal representatives or assigns more for patent or inventor's certificate on this of America prior to this application by me or m

and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the above listed application on which priority is claims:

¹ (b) Under this section, information is material to patentability when it is not cumulative to information already of record or beind made of record in the application, and

⁽¹⁾ It establishes, by itself or in combination with other information, a primafacie case of unpatentability of a claim; or

⁽²⁾ It refutes, or is inconsistent with, a position the application takes in:

⁽i) opposing an argument of unpatentability relied on by the Office, or

⁽ii) asserting an argument of patentability.

A *prima facie* case of unpatentability is established when the information compels a conclusion that a claim is unpatentable under the preponderance of evidence, burden of proof standard, giving each term in the claim its broadest reasonable construction consistent with the specification, and before any consideration is given to evidence which may be submitted in an attempt to establish a contrary conclusion of patentability.
